Messrs Bond Dickinson,

I have just spoken with the High Court Enforcement Officer, Mr Williamson, he came across quite annoyed that you have implied he has made some kind of mistake when the figure of £619,774.48 is on the claim form that you provided their office. I think, from my conversation with him, he would be prepared to give evidence in Court.

You come back to me with vexatious? I am rightfully annoyed.

I also do not make allegations I cannot prove.

The entire chain will now be filed at Court and you should be arrested.

See you in Court.

Yours sincerely,

Paul Millinder

Dear Mr Millinder.

I refer to your numerous recent emails sent to me and my colleagues. Please note the following (copies of the documents referred to below are attached for ease of reference):-

1. Your central allegation appears to be that we in some way misled the court at the hearing that took place on 9 January 2017 in relation to our client's application for an injunction to prevent the presentation by you of a winding up petition. This is the same allegation that was made by your solicitors at the time, Messrs Penningtons Manches, in their letter dated 11 January 2017. As you are fully aware, we responded to that letter on 12 January 2017. In our response, we explained why such an allegation was untenable and reminded you and your solicitors that, if you wanted to pursue your allegation, you would need to substantiate it. You declined to do so.

- 2. You and your solicitors agreed a form of Consent Order in relation to our client's application. The Order provided that Earth Energy Investments LLP (**EEI**) would contribute £25,000 to our client's legal costs, with payment being made by 4pm on 3 February 2017. No payment was made and it is now abundantly clear that you and EEI never had any intention of paying the agreed sum.
- 3. The papers served on you yesterday related to EEI's failure to pay in accordance with the terms of the Consent Order. There was an error in the papers prepared by the High Court Enforcement Officer because the amount referred to as being outstanding should have been £25,000 plus interest and costs. I anticipate that your response to this error will be to assert that we have acted fraudulently. We have not this was an honest mistake made by the High Court Enforcement Officer, which will be rectified.

Your email correspondence is vexatious, abusive and entirely misleading. It also continues to restate points that we have addressed numerous times before and I am afraid that I can therefore see no benefit to you or us in repeatedly restating the correct factual position. If your conduct follows the same path that it has previously, your response to this email will be to send numerous emails to a wide circulation of people accusing me and others of, amongst other things, dishonesty and fraud. Neither I nor my colleagues will be responding to any such email correspondence.

Yours	sincerely,

Paul Stewart
